An opportunity for members of the public to address the City Council on items not on the current agenda. Items requiring Council action maybe deferred to staff or committees for research and future agenda, if appropriate. There was no one under unscheduled business to address the Council.

Two concerned residents voiced their opinions on the increase in their 2016 property taxes.

Ron Bastian, 204 Cherry Street & Glenn Winters, Highway 71 North both expressed concerns about the high increase that property taxes took is going to hurt the homeowners. They were informed that the money is intended to be used for street improvement projects and repairs to a catch basin by the housing intersection. Mr. Winter stressed that he receives no benefits from the city. Mr. Winters questioned why his evaluation went down and his taxes went up significantly. Mr. Zimmerman informed the residents that the State of Minnesota has two property tax refund programs for homeowners. The regular Homeowner's Homestead Credit Refund is based on the increase of your property taxes paid on your principal place of residence. The special Homeowner's Homestead Credit Refund is based on the increase of your property tax on your homestead increased by more than 12% from 2015 to 2016 you may qualify. The maximum special refund would be \$1,000.00. The council suggested to Trinity Gruenberg, reporter for Independent News Herald, to contact a tax accountant and do a special article for the local newspaper.

#### 4. Communications Reports

A Enterprise Reports – March reports were reviewed

**B.** *Fire/Ambulance Reports* – No one was present on behalf of the Bertha Ambulance.

Mr. Wallner informed the council that the south garage door at the fire hall was installed. Mayor Zimmerman asked Mr. Wallner if the fire department could do a control burn on Ditch 15. Also, it was suggested that Ditch 24 east of the creamery be burned but questioned who they should contact. Brief discussion on the house burn for the Eckel's house located at 109 4<sup>th</sup> ST NW. *C. Law Enforcement* – Mr. Berndt presented his March activity report. The monthly report showed the following violations for Bertha: 11-citizen calls, 3-citations, 2-warnings, 5-public assists, 2-investagations and 3 assist other agencies. Mr. Berndt handed out an outline he put together that showed the steps for the abatement process.

*D. Public Works Report* – Mr. Templin stressed the importance of having residence submit a picture of their dog when applying for their annual license. The Council reviewed the March Public Works activity report submitted by Mr. Templin. Some highlights for the month included: sweeping streets, grading alley and street behind manor, attended two out of town meetings and picking up brush/branches around town. Mr. Templin will get some quotes for marking the streets for parallel/angle parking in the business area. They stressed the importance of him doing the work instead of hiring it done. He suggested that it was cheaper to have it hired out since they can purchase supplies in a larger quantity. It was also suggested to go to Wadena and purchase hot mix to fill some of the bad potholes. Mr. Templin asked to have a new door installed on the city shop on the south end. He will provide some quotes at the May meeting. Clerk Umland will provide an estimate to add wood fiber under the playground equipment area at the park for the meeting in May. The existing wood fiber has settled and to meet OSHA standards to prevent an injury we must install some more to bring it up to regulations.

## 5. Consider Business Items

- A. Nuisance Property Mayor Zimmerman summarized the letter from City Attorney Churchwell informing the council that he had documents at his office ready to serve Mr. Gerald Berndt. Once the documents are served an Affidavit of Service will need to be completed. The Affidavit must be returned to his office so he can file it with court. Additionally, the city must provide a check made payable to Todd County Court Administration in the amount of \$327.00 to cover filing fee. The court system will then set a date for the hearing. If Mr. Berndt fails to appear or contest the matter, the City will receive an order allowing them to hire the nuisance removed.
- B. Street Improvements Reviewed an estimate from Ideal Construction LLC to install 1.5 inch overlay on 2<sup>nd</sup> St SE which includes raising low area to get proper drainage, milling edges, tack and leveling bad spots in street with fines for a cost of \$25,960.00. Mr. Templin will try to provide more estimates for the May meeting.

- **D.** Traditions Bar & Grill Fay, owner of Traditional Bar & Grill, raised the question of allowing intoxicating liquor sales until 2:00 A.M. and Sunday on-sale intoxicating liquor for liquor-licensed establishment.
  - *a.* 2:00 a.m. closing- He raised the question of allowing 2:00 a.m. closing for six special events during the year. The current city code states the sale of intoxicating liquor until 2:00 a.m. on Friday and Saturday upon approval of

the Council. Our city attorney recommended that the council would either permit or deny the request for 2 a.m. closing, irrespective of dates or days. There were pros and cons tossed around about allowing the 2 a.m. closing. Mr. Berndt suggested for the festival to only sell liquor until 1:00 a.m. because of public safety reasons. At this time, Mr. Fay has decided not to pursue submitting an application for Optional 2 a.m. to Alcohol and Gambling Enforcement Division of the State of Minnesota. Clerk Umland will check with the AGED to see if they issue temporary permits for the year and if so how many events are allowed.

- b. Resolution 2016-10: Sunday Liquor Ballot Question: Mr. Fay requested that the city council put the issue on the ballot to have the residents decide on full Sunday liquor. He intends to put up fliers and do visits around town to let people know about the issue. Customers have approached him on opening and having a buffet on Sunday. If he is open and wants to serve liquor with the meal, the city must be authorized to do so by voter approval at a general or special election as provided by State Statute prior to be able to issue a Sunday Liquor License. Sunday on-sale intoxicating liquor license may be issued only to a restaurant which has seating capacity of at least 30 persons, and which already holds an on-sale intoxicating liquor license, and which serves liquor only in conjunction with the service of food. *Motion* was made by Bowman to put the question on the ballot for the next general election on November 8, 2016, seconded by Olson. Carried A sample ballot was provided to the council in their monthly agenda package no action is required. If the voters approve Sunday Liquor before it takes affect the city code must be amended and fee will have to be set.
- *c.* Mr. Fay inquired about installing cement barricades in back of his establishment eliminating the parking stalls that presently exist. Mr. Templin will meet with Mr. Fay on Tuesday.

There was a brief discussion about fencing an area adjacent to his establishment to have better control over the public during the summer festival. Clerk Umland will check with Line Building and Eagle Bend Lions to see what is available.
